Parking:

We have had a couple of issues within the last couple of months with street parking:

1. Kids crossing the street or getting into or out of vehicles and almost getting hit by passing cars
2. Cars getting hit while parked in the street

Please park in our parking lot instead of on the street. There is parking available on both sides of the building.

Please help us keep everyone safe!!!!

If you are interested in having your child perform in the Spring Show, please stop by the front desk and sign up. We ask that all gymnasts performing in the Spring Show attend this practice so that the show runs smoothly on Sunday. Wahpeton All-Sports Booster Club

We would like to encourage parents involved with gymnastics to get involved with the Booster Club! They have done so much for us in the past (our sound system, the air floor, etc) and hopefully in the future. We really need to show them our support as well. You can get involved with as little as \$10 a year. If you are interested or for more information, please call Jody Friskop at 642-23787. Thank you!
